PROFESSIONAL PROFILE & ENTERPRISE TRAINING SUITABILITY

- **Executive Profile & Core Expertise**: CTO and AI consultant specialized in enterprise AI integration, **Deep Learning & Neural Networks (ANN, CNN, RNN, LSTM, GAN, VAE, Transformers)**, Agentic Systems, Business Intelligence, and predictive statistical modeling.
- **Instructional Focus**: ROI-driven pedagogy, alignment with enterprise production standards, live coaching sessions, and capstone project mentorship.
- **Audience Adaptability**: Proven ability to engage both technical software engineering teams and non-technical C-Level executives.
- **Bilingual Delivery**: Courses delivered fluently in **Italian** and **English (C1)** — official training tracks for ESA conducted entirely in English.
- **Tier-1 Track Record**: Successfully instructed personnel across **ESA**, **EY**, **MSC**, **UniCredit**, **Banca MPS**, **Piaggio**, **Lear**, **Triboo**.

EDUCATION, LANGUAGES & PUBLIC SPEAKING

- **University Education**: B.Sc. in Statistics *(in progress)* • Quantitative methods, statistical inference, predictive modeling.
- **High School Diploma**: Liceo Scientifico Ulisse Dini (Pisa) • **Dual EsaBac Diploma** (Italian Scientific Baccalaureate + French Baccalauréat).
- **Languages**: **English C1** (Delivery language for ESA) • **French C1** (EsaBac Diploma) • **Italian** (Native speaker).
- **Public Speaking & Stage Presence**: Modern Contemporary Singing & Opera (vocal discipline and stage management) • Technical writing.

PROFESSIONAL EXPERIENCE & CORPORATE TRAINING ENGAGEMENTS

Leading Pharmaceutical Research Firm (NDA) | Chief Technology Officer (CTO) & Head of AI R&D

Nov 2026 – Present (Co-Development from 2026) • Location: Rome / Hybrid

- **Pharmaceutical AI & Statistical Ecosystem (10 Modules)**: Directing R&D and full-stack engineering for a 10-module pharma intelligence suite (drug sales forecasting, AIFA payback scenarios, sales force sizing, and P&L/rNPV financial valuation).
- **Quantitative Modeling & Azure Cloud**: Epidemiological funnels, Frank Bass diffusion curves, and Monte Carlo simulations on cloud-native Azure architecture (FastAPI, React 19, Docker) under GxP/GDPR compliance.

ForMinds | Co-Founder & Chief Technology Officer (CTO)

2025 – Present • Location: Remote / Hybrid • Partners: Mirko Campari, Edoardo Del Sarto, Tommaso Muraca

- **Corporate AI Academy**: Designed and delivered enterprise AI tracks for major accounts (**MSC, UniCredit, MPS, Autostrade, Piaggio, Lear**), conducted on behalf of leading intermediary training and consulting partners.
- **Custom Software Engineering**: Architectural direction for cloud platforms and bespoke systems, including the initial core of the pharmaceutical forecasting system for a leading pharma research firm in Rome (under NDA).

EY (Ernst & Young) | Lead AI & Machine Learning Instructor

Aug–Oct 2025 & Jul 2026 • Location: National HQ & Bari Hub / Hybrid

- **National AI Academy**: Directed the nationwide intensive Academy for junior developers at **EY Italy**, training them on production AI stacks, Agentic AI (**CrewAI, LangChain**), and automation via **n8n**.
- **Capstone Project Direction**: Architectural auditing and code reviews on participants' enterprise capstone projects, enforcing Big 4 engineering standards.
- **Bari Hub Bootcamp**: Advanced masterclass on Machine Learning pipelines, Neural Networks, and Data Science with Python (**Pandas, NumPy, Scikit-Learn**).

Triboo Group | Senior AI Consultant & Corporate Trainer

Apr 2026 (1-month intensive) • Location: Milan (On-Site)

- **Group-Wide Intensive Masterclass**: On-site training for editorial rooms, creative teams, and marketing divisions across all subsidiaries.
- **Google Gemini Enterprise Suite**: Operational adoption of multimodal AI for assisted copywriting, source verification, neural translation, and visual assets for e-commerce.

ESA (European Space Agency) | Senior Technical Instructor & AI Consultant

2026 • Location: Remote / On-Site • Delivery 100% in English (Full Professional Working Proficiency)

- **International Instruction in English**: Workflow modernization tracks conducted entirely in English for technical personnel at the **European Space Agency**.
- **Curriculum Stack**: Advanced prompt engineering for office automation, structured data querying with **SQL**, and standardized containerization with **Docker**.
- **AI for Business**: Executive sessions evaluating generative AI tooling, decision support systems, and measuring productivity ROI.

Enterprise AI & Business Intelligence Programs *(via Intermediary Partners)*

2024 – Present • Location: Italy • End-Clients: MSC, UniCredit, Banca MPS, Autostrade per l'Italia, Piaggio, Lear Corporation

- **Delivery Model**: Technical masterclasses and executive workshops delivered **on behalf of leading intermediary training and consulting partners**.
- **Business Intelligence & DAX (MSC - Sep 2026)**: Masterclass on Power BI, relational data modeling, DAX, and executive KPI fleet dashboards.
- **Banking & Fintech (UniCredit & MPS)**: Prompt engineering for complex financial document processing, fully compliant with banking regulations and data privacy (GDPR).
- **Manufacturing & Automotive (Piaggio & Lear - Fortune 500)**: Generative visual AI (Stable Diffusion, ComfyUI) for industrial design and technical documentation.
- **Infrastructure (Autostrade per l'Italia)**: AI workflows to streamline maintenance ticketing, field reporting, and operational task synthesis.

Profice | Corporate Lecturer & Consultant (AI / Data Analytics)

2025 – Present • Location: Remote & On-Site

- **Dual-Track Delivery (Devs & C-Level)**: Machine Learning and RAG systems for developers; strategic AI adoption and ROI frameworks for executives.
- **React.js Dashboards**: Application modules on building modern **React.js** web interfaces to visualize KPIs and real-time AI model predictions.

ITConsulting (Forma.Temp Fund) | Senior Software Engineering & Web Instructor

2024 – Present • Location: Remote / Hybrid

- **Funded Full-Time Bootcamps**: Intensive software engineering tracks for rapid technical workforce qualification and corporate placement.
- **Curriculum Stack**: Object-oriented programming in Python and Java (Spring Boot), relational databases (SQL), modern frontend with **React.js**, and 3D graphics with Three.js.

Epicode | Author & Master Lecturer (Python, AI & Machine Learning)

2024 – Present • Location: Remote • On-Demand & Live Master

- **Author of Recorded Modules (from Deep Learning onwards)**: Recorded all advanced modules on Neural Networks (**ANN, CNN, RNN, LSTM, GAN, VAE, Transformers**), Computer Vision (OpenCV, YOLO), NLP, and Generative / Full-Stack AI.
- **Live Enhancement Classes, Assignment Grading & Capstone**: Lead live enhancement sessions, grade student assignments, and serve as Capstone Committee President.

Sinervis Consulting (Fund Management: Argo 3000) | Cloud AWS & Machine Learning Instructor

Jan–Mar 2026 • Location: Corporate Delivery

- **Official AWS Curriculum**: Delivered the official AWS Machine Learning curriculum to corporate engineering teams via fund manager **Argo 3000**.
- **Key Topics**: Cloud MLOps on Amazon SageMaker, scalable data ingestion, Docker containerization, and enterprise cloud security.

Ultralimes Marketing | Founder, Lead Software Architect & Data Scientist

2025 – Present (R&D 2025 • Production & Clients from 2026) • Pisa / Remote • Clients: Profice, ACUS, Tuscany Likes Events and PR, SMEs

- **AI-Driven SME Marketing with Proprietary Software & Algorithms**: Marketing service and SaaS platform powered by custom predictive algorithms and integrated AI built in-house (actively serving **Profice**, **ACUS**, and SMEs).
- **PMS Platform (Tuscany Likes)**: Developed a centralized property management system for luxury villa rentals in Pisa.

Golden Bloom Studio | Co-Owner & Head of Video Production

2023 – Present • Location: Tuscany • Co-owner with Martina Brui (Photography)

- **High-End Multimedia Production**: Directed cinematic films and industrial documentaries for top-tier accounts: 200th anniversary film for **Cantieri Navali Codecasa** (mega-yachts) and assets for **Solvay Group**.

CORE COMPETENCY MATRIX FOR CORPORATE TRAINING & ADVISORY

- **Teaching & Instruction Domains**: Deep Learning & Neural Networks (ANN, CNN, RNN/LSTM, GAN, VAE, Transformers), Generative AI, Prompt Engineering, Business Intelligence (Power BI, DAX), Agentic AI (CrewAI, LangChain, n8n), Machine Learning, LLM Evaluation & MLOps, Data Analytics & SQL, Modern Web Development for AI (React.js).
- **Instructional Tech Stack**: Python (PyTorch, TensorFlow, Keras, Scikit-Learn, Pandas, NumPy, FastAPI), Java (Spring Boot), Docker, Azure, AWS SageMaker, Google Gemini, SQL (PostgreSQL), React.js, Git.
- **Pedagogical Methodology**: Practical hands-on labs, live enhancement coaching, assignment grading & capstone mentorship, fluent delivery in **English (C1)** and Italian.
